

Dear Pastor and Church Family,

Aug/Sept 24

As we approach the busyness of the holidays, we look back at summer's end with grateful hearts to The Lord for the great things He has done. Our end of summer weather has made it possible to do our midweek services outside and enjoy time gathered around together to pray the Scriptures and grow together in unity of the Spirit. The desire for discipleship and spiritual growth has been a tremendous opportunity to take part. We have enjoyed the hunger and thirst for God's Word in so many lives.

In August, I was privileged to lead 2 young Marines to the Lord who were brought to church by one of our young men. It thrilled my heart to see one who I've discipled, go forward to reach others for Christ.

Our annual Friend Day was a lot of fun. Once again, we were able to get out a few thousand outreach fliers in preparation. We had 9 first time guests and one of those families has returned and started to make this their church. They are one of my wife's piano student's families. We praise The Lord for how He uses her piano lessons for outreach. Please pray that we get the opportunity to ask about their salvation testimony if they have one. They have a church background, but we haven't had a chance to get much past that yet.

A few times a year I do a Beast Feast for all the men and boys in our church. A different student's family of my wife's came. We had a great turnout and everyone had a fun time. The Lord worked in lives and we continue to endeavor to reach the lost and disciple the born again. Please pray for the Hampton family to come back and come to a saving knowledge of the Lord Jesus Christ.
