"And blessed is he, whosoever shall not be offended in me."

Matthew 11:6

Pastor and Church Family,

The holiday season is often a trying time for many people, for many different reasons. For us personally, it was the balance of wanting to reach our own families for Christ and what our testimonies will allow us to participate in. This year required hard lines to be drawn of where we stand and what we are willing to put up with. This weighs very heavily on me, while I travel the country preaching the Gospel and trying to win strangers to Christ and yet watch from a distance while my own family goes to hell. The Lord has used the verse above in my heart about this, in the same manner he dealt with the John the Baptist. Jesus is doing exactly what He said He would do in His Word and my role is to continue to do exactly what He has called us to do in His work.

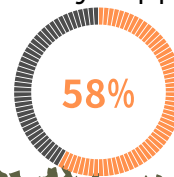

The last two months we have continued the project in Oak Grove, MO. At the time of our last letter we had just gotten the building dried in, since then we've roughed in all the electric, all the plumbing, and passed our framing inspection. After the inspection a friend of ours, Barry Pearce from Eufaula, OK, came and did spray-in insulation for the roof and exterior walls of the building. While that was being done we went for a week to Pukwana, SD to help Pastor Steve Aldridge at Victory Baptist Church. We helped frame in a maintenance closet and assisted them in making repairs to their new home. We then returned to Missouri and began hanging sheetrock in the building.

I've recently started a youtube page called "The Baptist Builder" trying to use all the resources God has given us to reach as many people as possible. On this page I share videos of the projects we are on along with devotions and recent messages I've had the opportunity to preach.

Please pray with us...

- Our lost family members
- 2nd Vehicle
- Opportunities to present the ministry
