## Missionaries to Mexico

January 2025

Dear Pastor and brothers in Christ;

With a great joy and pleasure, we write to you, especially starting this New Year 2025, which the Lord permits us to get here and continue forward with the calling that he has for us for the people in Mexico.

We recognize that what we accomplish this past year, Has Only Been By The Grace of God, which keep us firm and faithful. Also, we would like to praise God for you, for being faithful in your prayers and financial support towards our family and ministry. Without you we couldn't be able to stay in the mission field, preaching the gospel to all creatures, according to Mark 16:15, "He said unto them, go Ye into all the world, and preach the gospel to every Creature".

We give glory to God for everything that we accomplished and the things that God permits us to see in his work, especially, those people that accept the Lord as their personal Savior, lives are changed and teenagers surrender their lives, for full-time ministry. Starting with my son, Jeffrey during 2024

Every New Year, I remember the words of a preacher with the last name, Murray, a preacher from London, who said every time that we're gonna do something for God, we have to do it with Faith that God will do Great Things, because we only see the beginning, but God see the Beginning and the End.

### GOALS FOR 2025

Continue sharing the gospel, winning souls, everywhere, Door to Door, in the parks, plazas, outside of High schools, Universities, rehabs. Also, we're going to continue having Mission Conferences, family conferences, and Church anniversary celebrations. We are excited to continue with the missions trips for those churches that want to come to see the Mission work in Mexico and to see at FIRST Hand our ministry in Nogales. We can also take them to the other Churches that we have in Central Mexico. We praise God for the ministry of mission trips because we can witness how the Lord touches the hearts of many young people to surrender to God for full-time service after they come back from the mission's trip. Which is something I encourage every church to consider to do in the future. Everyone is welcome to come anytime.

Well my Brothers in Christ, it's time to say goodbye again let's continue faithfully serving God sharing the gospel, praying and giving, the Bible says in Romans 13:11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.
