Dear Pastor & Praying Friends,

Sept - Oct 2024

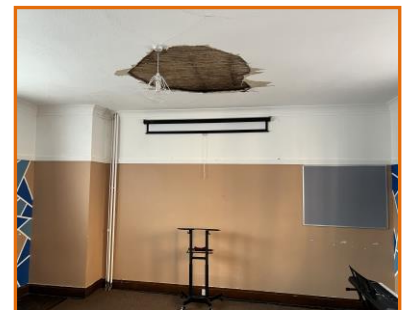

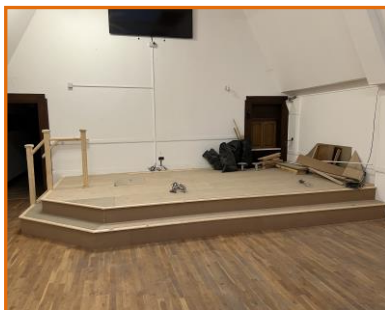

SPECIAL OFFERING RECEIVED

We were one of the first missionary families approved by Global Independent Baptist Missions back in 2005. We completed our furlough within two years and have been serving in Perth, Scotland for almost 17 years now. Our time on the mission field has been fruitful and rewarding. Even during the many health trials our family continues to face, God has remained faithful and always provides for us.

In September, the Global Independent Baptist Fellowship of churches, collected the first-ever "Missionary Project Offering" and to our surprise, it was designated for our ministry at Bible Baptist Church in Perth, Scotland. *Glory, Hallelujah!!* We are so humbled and thankful for this unbelievable blessing. *God is so Good and Faithful!*

We got right to work in October, and the much-needed funds were used to make repairs to our building which dates back to 1843. We have been able to replace the leaky roof, repair water damaged walls and ceilings, install a new boiler and heating system, install new electric wiring and breaker panel, and build a large auditorium platform. Still to come is new carpeting, painting, and building a small platform in the Chinese church room. Lastly, the generous gift helped us to pay off the remaining debt on the building! *Praise God!*

To all of our supporters, we say a BIG thank you! We would never have been able to accomplish all of this on our own. The improvements will make our building more comfortable and inviting which will encourage new visitors and increase ministry opportunities. You have changed our lives in an incredible way and we are so humbled by everything you have done for us. *May God receive all the glory!*

FURLOUGH 2025

Our travels in 2025 will mainly be in Texas, Oklahoma, Arkansas, and Louisiana. We are ready to schedule all other states for our return visit in 2026. We look forward to visiting with all of our supporting churches. You can reach us on [817-984-9288](tel:817-984-9288).
